ACKNOWLEDGEMENT

It gives us great pleasure in presenting the preliminary project report on “**IOT Based Baby Monitoring System For Smart Cradle**”. With due respect and gratitude, we would like to take this opportunity to thank our guide **Prof.Meenakshi.A.** for giving us all the help and guidance, we needed. We are grateful for his kind support. He has always encouraged us and given us the motivation to move ahead. We thank our Head of Electronics and Telecommunication Engineering Department, BSIOTR **Dr. Y.S. Angal.** He has also put in a lot of time and effort in this project along with us and given us a lot of confidence. Also, we wish to thank all the other people who have helped us in the successful completion of this project. We would also like to extend our sincere thanks to Principal **Dr. T. K. Nagaraj,** for his dynamic and valuable guidance throughout the project and providing the necessary facilities that helped us to complete our dissertation work. We would like to thank my colleague's friends who have helped us directly or indirectly to complete this work
